When an item is ready for pick-up, borrowers receive a notification through text or email to retrieve their item using either a unique code or an app. Stay tuned for details!

Friends: Thanks for a great '21!

The Friends of the Library would like to extend a huge THANK YOU to everyone who showed their support throughout 2021 at the book sales as well as those who made purchases from our ongoing display on the main floor. Because of your generosity, we will be able to fund a large variety of programs at the library throughout the coming year.

Adult 'Take & Make' Craft

Pick up an Origami Star craft kit from the lobby while supplies last. These paper stars are great as decorations or gift tags.

To have your work considered for the **Poetry Corner**, submit it to info@douglaslibrary.org with the subject line 'Poetry Submission.' Individuals of all ages (including children!) and skill levels are encouraged to participate. Poems should be original creations, written by individuals living in the Hebron/Amston area, and not subject to any copyright claims that would prevent the work from being published here.
