Storytime returns to the library!

Join us every week to improve your children's literacy and social skills through stories, crafts and songs! After being put on pause for a few months, Storytime has returned to the Douglas Library as an in-person activity. The program is open to children aged 0-5 and families are welcome to bring siblings together. Sessions

happen twice a week - on Tuesdays and Thursdays at 10AM in the Children's Program Room. Space is limited, so registration is recommended.

The Children's Department will continue to have craft projects available at the third floor desk and storytime videos on douglaslibrary.org.
